

## **Warranty – 1363/1364 HVPS**

All authentic Taylor Electronics Services (TES) 1363 and 1364 series high voltage power supplies (HVPS) are warranted for one year from the date of purchase against defects in materials and workmanship. Coverage under this warranty is not transferable and is only valid with proof of purchase from TES. Any failure of the HVPS covered by this warranty, as determined by failure analysis at TES alone, will be remedied by repair or replacement at the sole discretion of TES. Shipping charges of material suspected to be defective sent to TES are to be paid by the purchaser, shipping charges via USPS first class mail of replacements for defective HVPS found to be covered by this warranty will be paid by TES. Damage due to misuse, alteration to the product, negligence or any application outside the parameters as set forth by the HVPS datasheet in effect at the time of purchase is not covered under TES warranty policies.
